KNOW YOUR REPORTING OPTIONS

If you contact your Command or Law Enforcement,
your report becomes “unrestricted” automatically.

RESTRICTED

Contact SARC, Victim Advocate, or Health Care Provider

Command NOT Notified
NO Investigation Initiated

SARC or Victim Advocate – provides support services

- Get Medical Care
- Get Counseling
- Get Legal assistance
- Can make unrestricted reporting decision at a later time

UNRESTRICTED

Contact SARC, Victim Advocate, or Command -

Command IS Notified
Investigation Initiated

vs. SARC or Victim Advocate – Provides Support Services

- Get Medical Care
- Get Counseling
- Get Legal Assistance

164 AW SAPR PROGRAM VISION

To ensure the 164th AW is an environment

- Where all Airmen cultivate dignity and mutual respect, free from sexual harassment, innuendo, and assault
- Where all Airmen have confidence they will be heard, supported, and treated respectfully, if they come forward to report
- Where members confidently report sexual assaults because the environment is free from blame, reprisal, or intimidation
